

10th February 2010

Dear Amanda,

Over the past 12 months we have had to call e-force to repair our intercom + gate motor. We had such pleasant experiences; they were prompt in arriving + the workers were pleasant + quiet. All work was carried out in an efficient, neat + tidy manner. Any mess was cleared before leaving the property. After so many unpleasant + bad experiences with other companies we have no hesitation in recommending the services of e-force.

Thanks to Amanda + her team.

Kind regards

Lorraine & Bernadette.
